

PROTECT PURDUE

A PLEDGE TO STOP THE SPREAD OF COVID-19

As Boilermakers, we keep learning and we keep going.
Always taking the next step, together.

And today, as the effects of this pandemic impact
our friends, our families and our world, we must work
to protect the health and safety of every member of
our campus community.

We will protect ourselves.

We will protect others.

We will protect our Purdue community.

TOGETHER, WE WILL TAKE EVERY SMALL STEP TO PROTECT PURDUE.

If you are sick, experiencing any symptoms of COVID-19, or if you have been exposed to someone who has tested positive for COVID-19, call the Protect Purdue Health Center at **765-496-INFO (4636)** or toll-free at **833-571-1043**.

PROTECT PURDUE PLEDGE

Being a part of the Boilermaker community means that each of us, accountable together, must take extraordinary steps to stay well and persistently protect each other, on campus and in the local area. I pledge to take responsibility for my own health and the protection of others, and I will help keep the Purdue community safe from spread of COVID-19 and other infections by adhering to university instructions.

I PLEDGE TO:

① PROTECT MYSELF

Monitor for the symptoms of COVID-19 and report to a medical professional if I experience fever of 100.4 F (38 C) or higher, dry cough, difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat or loss of taste or smell

Wash my hands often with soap and water or use hand sanitizer

Get vaccinated for the flu in the fall

② PROTECT OTHERS

Maintain appropriate social distancing, especially in classroom settings or the presence of older members of the community

Stay home if I feel ill or after exposure to someone who is ill or has tested positive for COVID-19

Wear an appropriate face mask and other protective gear as directed by the university

Look out for others and encourage their faithful commitment to the Pledge

③ PROTECT OUR PURDUE COMMUNITY

Keep my clothing, belongings, personal spaces and shared common spaces clean

Participate in testing and contact tracing to preserve the wellness of the community

Carefully observe instructional signs and follow directions

EVER GRATEFUL, EVER TRUE
TOGETHER WE WILL **PROTECT PURDUE**
